Hampshire Home Choice Allocation Framework

1. Introduction

- 1.1 East Hampshire District Council, Eastleigh Borough Council, Havant Borough Council, Test Valley Borough Council and Winchester City Council (known as the Councils in this document), have agreed a common approach for the allocation of social housing across the five local authority areas and together operate a sub-regional choice based lettings scheme called Hampshire Home Choice (HHC).
- 1.2 Local authorities are required to establish an allocation scheme for determining priorities between people who apply for housing and setting out the procedure to be followed in allocating housing accommodation.
- 1.3 The HHC Allocations Framework is a jointly agreed policy which details all aspects of the allocation process, including the responsibility for decisions, policy on offering choice to applicants, how applications will be assessed, processed and how decisions will be made across the HHC partnership, as per the operational procedures.
- 1.4 Each local authority will continue to maintain its own local authority Scheme of Allocations which may contain separate policies to address and reflect local priorities.
- 1.5 The provision of social housing in Havant Borough Council is unusual and special arrangements exist. Portsmouth City Council owns and manages 5000 social housing tenancies located within the borough of Havant. Therefore Havant and Portsmouth City Councils have agreed the following arrangements for the allocation of social housing in Havant:
 - Portsmouth City Council tenants do not qualify for registration on the Hampshire Home Choice Housing Register.
 - Portsmouth City Council tenants housing needs will be assessed by Portsmouth City Council.
 - In exceptional circumstances, Hampshire Home Choice may agree to assist a Portsmouth City Council tenant to move, on a reciprocal basis only.
- 1.6 In establishing the priorities of applicants for allocating accommodation, HHC gives reasonable preference under this scheme to eligible and qualifying:
 1. Applicants who are homeless or threatened with homelessness (as defined by the homelessness legislation) or are owed a re-housing duty under the homelessness legislation.

2. Applicants occupying insanitary or overcrowded housing or otherwise living in unsatisfactory housing conditions.
 3. Applicants who need to move on medical or welfare grounds (including grounds related to a disability).
 4. Applicants who need to move to a particular locality in the district, where failure to meet that need would cause hardship to themselves or others (including applicants seeking to move under the Right to Move Regulations—see appendix 3 – HHC Operational Procedures).
 5. People specified by the Secretary of State by regulations, *unless* the applicant only qualifies for reasonable preference by taking into account a restricted person (See section 10).
- 1.7 Additional preference can be awarded to applicants who are in a reasonable preference group if their housing needs are serious and urgent.
- 1.8 There may be exceptional circumstances where the only way an exceptional housing need can be resolved is through the use of discretion. In the interests of fairness to all these applicants these circumstances are kept to a minimum.
- Where discretion is applied to an applicant's circumstances or their case falls outside of the HHC Framework these cases will be referred to the Housing Manager/Head of Housing Management & Allocations at the relevant Council to make a decision in relation to qualification, band priority or bedroom need.
- 1.9 The HHC scheme may contain provisions for determining priorities between people in reasonable preference groups. Applicants entitled to reasonable preference will be further assessed against the following:
- a) The financial resources available to an applicant to meet his/her housing costs.
 - b) The behaviour of an applicant (or a member of his household) which affects their suitability to be a tenant.
 - c) The local connection of the applicant to the HHC local authority districts.
- 1.10 This document sets out the HHC Sub-Regional Allocations Framework, which has been agreed with all Registered Providers (RPs) with which the Councils have nomination arrangements, local voluntary and statutory agencies, housing applicants and tenants on the HHC Housing Register.

1.11 Partner Registered Providers of social housing in the HHC scheme have a duty under Housing Act 1996 to cooperate with housing authorities to such extent as is reasonable in the circumstances in offering accommodation to applicants with priority under this scheme.

1.12 The Councils have also had regard to the following:

- The Housing Act 1996 (Part 6), as amended by the Homelessness Act 2002, the Localism Act 2011 and other relevant legislation.
- Allocation of Accommodation: Guidance for Local housing Authorities in England (2012, DCLG) “the Code”.
- Providing social housing for local people: Statutory Guidance on social housing allocations for local authorities in England (DCLG, December 2013) “Supplementary Code”.
- Homelessness Reduction Act 2017
- Allocation of Housing (Procedure) Regulations 1997, SI 1997/483.
- Allocation of Housing (England) Regulations 2002, SI 2002/3264.
- Allocation of Housing and Homelessness (Eligibility) (England) Regulations 2006, SI 2006/1294.
- Allocation of Housing (Qualification Criteria for Armed Forces) (England) Regulations 2012, SI 2012/1869.
- Housing Act 1996 (Additional Preference for Armed forces) (England) Regulations 2012, SI 2012/2989.
- Allocation for Housing (Qualification Criteria for Right to Move) (England) Regulations 2015, SI 2015/967.
- Each Councils Homelessness Strategy.
- Each Councils Tenancy Strategy.
- The Equality Act 2010.
- Existing Case Law.

1.13 The Councils also consulted with applicants and Registered Providers.

2. Aims and Objectives of Hampshire Home Choice

2.1 Aims of HHC

To meet the housing needs of households across the sub-region. Providing a single point of access to applicants, assisting social and economic mobility and access to employment where possible, being sufficiently flexible to reflect and address local issues and to allocate housing in a consistent and as transparent way as possible.

2.2 Objectives of HHC

- (1) To meet statutory housing requirements.
- (2) To give reasonable preference to those in greatest housing need across the sub-region.
- (3) To meet the needs of vulnerable people with support.
- (4) To provide applicants with as much choice as possible.
- (5) To help to create and maintain sustainable local communities.
- (6) To make the best use of available housing resources.
- (7) To allocate scarce local housing resources in as fair a way as possible.

3. **Section 1 - The Hampshire Home Choice Allocations Framework Policy**

- 3.1 HHC administers a single Housing Register for people in housing need across the HHC sub-region. The HHC Housing Register is used by the five partner local authorities to nominate and allocate social housing across the sub-region. This information is shared with the partner RPs (which includes local authority landlords).
- 3.2 An allocation under Hampshire Home Choice takes place where:
 - (a) A person is selected to be a secure or introductory tenant of Winchester City Council or nominated by one of the five participating local authorities to be an assured tenant (including fixed-term, flexible, or Affordable Rent tenure) of a Registered Provider of social housing in the HHC sub-region.
 - (b) There is a transfer of housing accommodation where a Council or Registered Provider/Housing Association tenant is in a reasonable preference group and where the transfer has been made on the basis of the need expressed in a person's housing application.
- 3.3 The letting of accommodation to applicants not in a reasonable preference group or of temporary housing for homeless applicants will normally be made outside of this framework.
- 3.4 Tenancies let through Hampshire Home Choice will include flexible and shorthold tenancies and tenancies let on social and Affordable Rents.

4. **Cross Boundary Moves**

- 4.1 Local authorities can agree on a voluntary basis to advertise a property as being available for a cross boundary move which would allow applicants across the five Council areas to be considered for the property as well as homes in the local authority in which the applicant has a local connection.

These properties will be clearly labelled in the property adverts and it will be very clear for which properties the applicant can and cannot bid.

5. Statement of Choice

- 5.1 The Councils and its partner landlords are fully committed to enabling applicants to play an active role in choosing where, and in what property type and tenure in which they wish to live, while continuing to house those applicants in the greatest housing need and complying with all relevant legislation.
- 5.2 Under the Hampshire Home Choice scheme, applicants can apply (subject to eligibility) for vacancies which are advertised each week. In making this choice applicants need to consider their housing need priority against the availability of properties in any given area.

6. Homelessness

- 6.1 The HHC scheme recognises the need for flexibility when addressing local priorities and pressures. Each Council will retain strategic control of the way social housing is allocated in its area and ability to manage its homelessness responsibilities.
- 6.2 Applicants with a qualifying local connection who are owed the prevention or relief duty under the Homelessness Reduction Act 2017 or have been accepted under Part 7 of The Housing Act 1996 (as amended by Homelessness Act 2002) or Homelessness Reduction Act 2017 by one of the Councils and owed a full duty to house under the homelessness legislation will only be able to bid for properties in the Council area where the homelessness duty is owed.
- 6.3 Applicants with a qualifying local connection who are owed the prevention or relief duty under the Homelessness Reduction Act 2017 or owed a full duty under Part 7 of Housing Act 1996 (as amended by the Homelessness Act 2002) or Homelessness Reduction Act 2017 and are placed in temporary accommodation will be expected to bid for suitable properties. If the applicant does not bid for suitable properties, then the local authority will bid on their behalf and make a suitable offer of a vacant property within their district.

7. Village Properties

- 7.1 Special rules will apply when prioritising applicants who are being considered for housing in a village/parish. All village vacancies (S106 and non S106) will be advertised with priority given to those with a local connection to the village/parish (less than 3,000 population).

7.2 Village/parish local connection is defined as follows:

- Ordinarily resident in the village/parish.
- Previously ordinarily resident in the village/parish prior to the date of allocation and has family who ordinarily reside there.
- Employment – current or to take up permanent employment in village/parish.
- To support or be supported by member of family ordinarily resident in the village/parish.

7.3 Applicants who do not meet any of the above criteria will not have a local village/parish connection.

7.4 When allocating properties suitable for wheelchair users, or with any other adaptations which are not subject to a S106 agreement, to make best use of available housing resources priority may be given to applicants who have an assessed housing need for the adaptations; but who do not meet the village local connection criteria. In certain circumstances, the Council will allocate an adapted property directly to an applicant which is known as a direct match.

8. Local Lettings Policies

8.1 Local lettings policies will be used to ensure, where possible, that there is a mixed and balanced community. Local letting policies for some existing properties and initial lettings on new build schemes may specify different priorities for allocating properties. Properties subject to such a policy will be clearly labelled in the property advert.

8.2 Local lettings policies may be applied in addition to any local planning restrictions (contained in agreements made under Section 106 of the Town and Country Planning Act 1990) which may be in place, but will not override them. These local lettings policies will be agreed by the respective Registered Provider and local authority Housing Manager.

9. Sensitive Lettings

9.1 There may be occasions when a Registered Provider in the HHC partnership requests that a vacant property is advertised as a sensitive letting; for example, where a previous tenant has caused anti-social behaviour and it is important to get the right mix of tenants in the area, having regard to the needs of existing vulnerable or elderly tenants. The landlord and the local authority may agree that the applicant in prime position for nomination is not suitable to be offered the property and instead agree to offer the property to a more suitable applicant (See Appendix 1- Sensitive Lettings).

9.2 Priority may be given to working applicants taking into account all relevant factors in relation to the applicant's housing need, suitability of the

property for that applicant and the needs of the community. In these cases the advert will clearly state the property is subject to a Sensitive Lettings Policy.

10. Eligibility for the Hampshire Home Choice Register

10.1 Certain people from abroad, including some subject to immigration control, are not eligible for an allocation of social housing. These are known as restricted persons. These regulations are set by Government and updated regularly.

10.2 Allocations and nominations under the HHC scheme can only be made to eligible persons. The Councils which participate in Hampshire Home Choice cannot allocate housing accommodation under the scheme to:

(1) A person from abroad who is subject to immigration control unless he/she is of a class prescribed by regulations made by the Secretary of State, or currently a tenant of the Council or a Registered Provider. No person excluded from entitlement to housing benefit shall be included in any class prescribed by the secretary of State.

(2) Two or more persons jointly if any of them falls under 10.2 (1) above

(3) Other classes of persons from abroad specified by the Secretary of State.

10.3 Habitual Residence Test

Most persons from abroad who are not subject to immigration control (including British Citizens) must also be habitually resident in the Common Travel and/or have the right to reside in the Common Travel Area in order to be eligible to join the Housing Register.

The Common Travel Area consists of the UK, the Channel Islands, the Isle of Man and the Republic of Ireland.

The Habitual Residence Test is used to ensure new allocations of social housing is to the applicants who are ordinarily resident in the UK, i.e. those habitually resident in the UK, and to EEA nationals exercising Treaty Rights. In applying this test, some British citizens, nationals of EEA member states, and others exempt from immigration control may nevertheless be denied an allocation on the grounds that they are 'not eligible'. The Test can be reapplied at a later date and a different outcome may arise.

10.4 Subject to section 1 and any other relevant regulations made by the Secretary of State, the Councils participating in HHC may decide what classes of people are to be treated as qualifying persons; able to join the Hampshire Home Choice Register and to be considered for housing accommodation.

10.5 Applicants deemed not to be a qualifying person by the Councils will not be able to be considered for housing and must be notified in writing.

10.6 Any applicant regarded by the Councils as ineligible to join the Housing Register may request a review of this decision (See 22.12: Right to Review).

11. Qualification for inclusion on the Hampshire Home Choice Register

11.1 The Councils will consider all applications to join the Hampshire Home Choice Register in accordance with this scheme. Applicants will be accepted onto the HHC Register for housing provided they:

- (1) Are aged 16 years of age or over and
- (2) Are eligible to be considered for housing accommodation and
- (3) Are a qualifying person and
- (4) Have a local connection with one of the Councils.

11.2 *Applicants under the age of 18 years of age;*

Applicants aged 16 or 17 years of age will be accepted onto the HHC Register, providing they are not otherwise ineligible. When allocating a tenancy to an applicant under the age of 18, then:

- a) A trustee must be appointed. A person under the age of 18 cannot be the legal owner of an interest in land, including a tenancy. The trustee would be the legal owner of the land and hold it in trust until the young person reached 18 years of age. Any such case will need to be jointly assessed by the Housing Service and Children's/Adult Services before an offer of accommodation is made, and
- b) A suitable guarantor for the tenancy would need to be identified until the applicant reaches 18 years of age.

11.3 Qualification Criteria

An applicant will normally be a qualifying person and therefore qualify to join the HHC Register and for an allocation under the HHC Scheme, if they are:

1. In Housing Need, (See Section 14 – Housing Need Assessment) and
2. Have a single or joint gross household income of less than £60,000 per annum or £45,000 for Eastleigh applicants and/or
3. Assets and/or savings of less than £16,000, and

4. Have a local connection to one of the local authority areas within the HHC sub-region by meeting one of the following criteria:

a. Residency Qualification

- Have been resident in the HHC sub-region for 12 continuous months at the time of application or
- have lived in the HHC sub-region for 3 out of previous 5 years or
- Have close family (mother, father, brother or sister, adult children, grandparents) who have been resident for 5 continuous years and continue to be resident in the HHC sub-region.

b. Employment

An applicant may be a qualifying person if he/she or his/her partner is in employment which meets all of the following criteria:

- The office or business establishment at which a person is based or from where their work is managed is within the HHC sub-region and
- Is in paid employment and
- Works a minimum of 16 hours per week and
- Has been employed for a minimum of 12 continuous months at the time of their application and is currently in employment and
- Has a permanent or fixed term contract or is self-employed.

If an applicant or their partner is self-employed further information may be required including but not limited to evidence that they are registered with HMRC for tax and National Insurance payments, tax returns, payslips, accounts, etc.

An application can only be registered with one local authority usually the local authority, where the local connection criterion is met. If an applicant has a local connection to more than one local authority area within the HHC sub-region their application will reflect this.

12. Applicants who are not Qualifying Persons

12.1 Applicants will not normally be qualifying persons if they:

- 1) Do not have a local connection to the HHC sub-region **unless**, at the time of their application they are:
 - Owed a re-housing duty by one of the five HHC participating local authorities under the homelessness legislation or
 - A person who is serving in the regular forces or

- A person who has served in the regular forces within five years of the date of their application for an allocation of social housing under Part VI of the Housing Act 1996 or
- Those who have recently ceased, or will cease to be entitled, to reside in accommodation provided by the Ministry of Defence following the death of that person's spouse or civil partner where –
 - The spouse or civil partner has served in the regular forces: and
 - Their death was attributable (wholly or partly) to that service: or
 - Is serving or has served in the reserve forces and who is suffering from serious illness, illness or disability which is attributable (wholly or partly) to that service.

For the purposes of this policy the definition of 'regular' and 'reserve' forces will be reflect the definition set out in s374 of the Armed Forces Act 2006.

- In a class of people prescribed by regulation who cannot be deemed a non-qualifying person due to a lack of connection to one of the local authority areas (for example MAPPA, MARAC, Witness Protection) or
 - A care leaver aged under 21 who normally lives in a different area to that of a local authority that owes them leaving care duties, and has done for at least 2 years including some time before they turned 16 or
 - A care leaver aged under 21 owed a duty under section 23C of the Children Act 1989 by Hampshire County Council will have a local connection with every district that falls within the area of Hampshire County Council or
 - A person who needs to move to a particular locality within the HHC area, where failure to meet that need would cause themselves or others hardship or
 - Social housing tenants who have reasonable preference because of a need to move to the local authorities' district to avoid hardship; and need to move because the tenant works or has been offered work in the district of the authority and has a genuine intention to take up the offer.
- 2) Are an applicant who has the means to resolve their own housing difficulties.

- 3) Are an owner-occupier, (with the exception of those with a housing and assessed care need, who cannot resolve their own housing situation and have a need for extra-care or sheltered accommodation (See Appendix 2).
- 4) Are not in housing need, unless they are of a household type which could be considered for housing which is normally difficult to let and they wish to be considered for such a property. This will normally be extra-care or sheltered accommodation.
- 5) Are a Portsmouth City Council Tenant.
Portsmouth City Council tenants housing needs will be assessed by Portsmouth City Council.

In exceptional circumstances, Hampshire Home Choice may agree to assist a Portsmouth City Council tenant to move, on a reciprocal basis only.

13. Hampshire Home Choice Suspension Policy

13.1 HHC operates a suspension policy. Applications will be suspended in the following circumstances:

- 1) Where an applicant has deliberately worsened their circumstances or
- 2) Unacceptable behaviour or
- 3) Former rent arrears and/ or debt or
- 4) Refusal of suitable accommodation.

13.2 Deliberately Worsened their Circumstances

Applicants who seek to gain an advantage on the Housing Register by deliberately worsening their circumstances, for example, moving to severely overcrowded housing or sub-standard accommodation will have their housing application suspended for 6 months.

13.3 For applicants whose application has been suspended for deliberately worsening their circumstances (13.2), their priority date will be the date their application is made live following suspension for 6 months.

13.4 Unacceptable Behaviour

Qualifying persons who are unsuitable to be a tenant because of behavioural issues, including anti-social behaviour or poor tenancy or household management, will have their application suspended for six months. Applications will be assessed on their own merits.

Applicants and/or their household will need to demonstrate that there has been a significant change in their behaviour and that this has been

sustained for a minimum period of 6 months before they may qualify for housing. In some cases an applicant may qualify, subject to them agreeing to accept tenancy support or signing an acceptable behaviour contract.

13.5 Behavioural issues include the following:

- (i) abusive and verbal behaviour and/or
- (ii) arson and/or
- (iii) assault and/or
- (iv) criminal behaviour and/or
- (v) criminal damage and/or
- (vi) damage to property and/or
- (vii) domestic violence and/or
- (viii) drug and alcohol misuse/abuse and/or
- (ix) harassment and/or
- (x) homophobic behaviour.

Applications will be assessed on their own merits, taking into account current and recent conduct along with relevant supporting information provided by partner organisations, support workers and the Police.

13.6 Former Rent Arrears and Debt

Where an applicant and/or their partner owe money to a local authority or Housing Registered provider and there is no payment arrangement in place, or there is a payment arrangement in place which has not been adhered to for a period of 6 months and the debt has not been paid, their application may be suspended. Examples of money owed include:

- i. Current rent arrears and/or
- ii. Former tenant rent arrears and/or
- iii. Repair costs/Rechargeable works orders and/or
- iv. Claim against deposit scheme for damage or rent arrears and/or
- v. Rent in advance and or deposit scheme costs owing and/or
- vi. Outstanding debt with a private landlord may be considered.

13.7 It is the responsibility of the applicant to provide evidence confirming that there is a payment arrangement in place and that payments have been adhered to for a minimum period of at least 6 months and continue to be paid, or evidence of where serious hardship would result if accommodation is not offered.

13.8 For applicants whose application has been suspended for former debt/rent arrears and debt (13.6), their priority date will be the date they cleared their outstanding debt or the Council is satisfied the applicant has adhered to a payment plan for 6 months.

13.9 Refusal of Suitable Accommodation

An applicant, who successfully bids, is nominated and offered suitable accommodation but subsequently refuses an offer on two occasions within a six month period will not be able to bid for further properties for six months from the date of refusal of the second property.

14. Housing Need Assessment

14.1 Household Size and Accommodation Eligibility

The number of bedrooms an applicant can be considered for is determined by looking at the size and structure of the household. The table below details the normal bedroom requirements for typical households:

Household Size	Size of accommodation
Single Person	Bedsit/studio flat/one bedroom property
Couple	One bedroom property
Household with one child	Two bedroom property
Household with two children of same sex *	Two bedroom property
Household with two children of opposite sex; where both children are under 10 years of age	Two bedroom property
Household with two children of same sex, where one sibling is over 16 years of age.	Three bedroom property
Household with two children of opposite sex, where one is 10 years or over. **	Three bedroom property
Household with three children	Three bedroom property
Household with four or more children	Three/four bedroom property
Household with five or more children	Four/five bedroom property

(a) *Two siblings of the same sex under 16 years of age will be expected to share one bedroom of appropriate size.

(b) **Two siblings of opposite sex, where one is 10 years or over are entitled to separate bedrooms.

14.2 Where an applicant states a separate bedroom is required for a carer/s providing overnight care, the Council will assess whether the carer is part of the household.

14.3 In exceptional circumstances, the Council will consider allocating properties of alternative sizes to applicants. Such decisions will be referred to the Hampshire Home Choice Manager and relevant Council for consideration.

15. Health and Welfare Assessment

15.1 An applicant or household member who has a significant health or welfare problem caused or substantially worsened by their existing accommodation and where it could be alleviated or resolved by rehousing, maybe awarded priority on health and/or welfare grounds.

15.2 When awarding priority on health and/or welfare grounds, the award of urgent priority on these grounds need to be considered alongside the needs of other applicants who are waiting for rehousing.

16. Additional Priority

16.1 Additional priority may be given in the following circumstances:

(a) ***Fostering***

Additional priority may be given to foster carers where their current accommodation is not suitable to accommodate a foster child placement. An example is where an applicant may require a larger property to accommodate one or more foster children. In these cases the local authority will work closely with Children's Services to meet the needs of an approved foster carer.

(b) ***Health and Welfare Assessment***

An applicant, who has a need to move to a particular locality in the district where significant hardship would be caused to them or others, if they did not move, may be awarded additional priority.

(c) ***Armed Forces with Urgent Housing Needs***

Additional priority may be given to members of the armed and reserved forces, widows/widowers of armed/reserve forces personnel killed whilst in service and who have an urgent housing need, for example those who need to move urgently because of a life-threatening illness or sudden disability.

(d) ***Emergency Management Transfers***

Existing RP tenants in need of an emergency management transfer will be awarded Additional priority and placed into Band 1 (See18.3)

16.2 Over Crowding

Households will be regarded as overcrowded when they are assessed as needing at least one more bedroom than their current accommodation provides.

For the purpose of defining overcrowding the following factors apply:

- (a) A single person aged 16 or over requires one bedroom.
- (b) A couple requires one bedroom.
- (c) Two children of a different sex, where one is aged 10 or over, require 2 bedrooms.
- (d) Children of same sex share a bedroom until 16 years of age.
- (e) One room will be classified as a living room; all other rooms (except bathrooms and kitchens) will be classified as bedrooms provided they are suitable as sleeping accommodation (exception of bedsits/studio flat).
- (f) Rooms measuring less than 4.6 square metres (50 square feet) will not be counted as a bedroom.

16.3 Direct Match

In certain circumstances, a property may be allocated directly to an applicant without other applicants being able to bid on that property; for example, where a property is required by Registered Provider landlord to decant a tenant to complete work on their existing property, or to deal with an emergency situation.

17. **Determining Priorities of applicants under HHC**

17.1 Applicants, who are eligible and qualify to be accepted on to the HHC Register, will have their housing need assessed and be placed into one of four bands:

- Band 1: Urgent Priority
- Band 2: High Priority
- Band 3: Medium Priority
- Band 4: Low Priority

Priority is awarded within each band by the date the application was placed in that band. This date is known as the priority date.

17.2 If an applicant is moved up a band, the application will be given a date when the increased priority is awarded. This becomes the new priority date.

17.3 Applicants who are assessed as not in housing need, but are of a household type which could be considered for housing which is normally difficult to let and they wish to be considered for difficult to let properties, will be placed in Band 4.

17.4 If an applicant has a serious housing problem that requires urgent consideration for rehousing, their application will be reviewed by the HHC

Manager and relevant local authority Manager and awarded higher priority, if appropriate.

- 17.5 Special rules apply when prioritising applicants for housing into village vacancies, with preference being given to applicants who can demonstrate a local connection to that village.
- 17.6 In taking into account an applicant's financial resources in determining priorities between households with a similar level of need, the Council may disregard a lump sum received by a member of the Armed Forces as compensation for an injury or disability sustained on active service.

- Applicants requiring urgent hospital discharge where their current accommodation is totally unsuitable for their needs.
- Applicants required to move for witness protection reasons, MARAC, MAPPA and Child Protection issues.

18.3 Emergency Management Transfers

Other cases recognised as emergencies are at the discretion of the local authority.

Urgent priority banding will be time limited for 3 months. Applicants will be expected to bid for the next suitable vacancy. This can be extended where no suitable property has arisen during the time period. If a suitable property arises and the applicant is successful in bidding but refuses the offer of accommodation, then their priority will be reduced to their original Band.

Decisions regarding Emergency Management Transfers will be made by the respective Housing Managers in the Local Authority and Registered Provider concerned.

Statutory Homeless Households will only be able to bid for properties in the Council area where the homelessness duty is owed.

A Band 2 priority is awarded to applicants living in overcrowded circumstances where they are lacking two or more bedrooms. Applicants

will be eligible to bid for properties according to their assessed bedroom need.

19.7 Vulnerable Applicants in Supported Housing

19.8 Management Transfers, including Decants

Where an existing tenant of Winchester City Council or RP provider in the partnership needs to be moved urgently, but does not need to move into the next suitable available property as their situation does not require immediate re-housing.

High priority banding will be time limited for 3 months. Applicants will be expected to bid for the next suitable vacancy. This can be extended where no suitable property has arisen during the time period. If a suitable property arises and the applicant is successful in bidding but refuses the offer of accommodation, then their priority will be reduced to original Band.

Applicants assessed as having a Band 2 priority can be moved to Band 1 if there are both urgent and exceptional circumstances.

be considered for difficult to let. This will normally be extra care or sheltered accommodation.

21.5 Currently serving prison sentences

Applicants who are serving prison sentences and who on release will have a housing need or be homeless and have a local connection to one of the HHC local authorities. The applicants will be reassessed on release and placed in an appropriate band.

22. Section 2 – Processes; Applications and Assessment

22.1 Applications and Assessment

Anyone requiring assistance to complete an application for housing can contact the relevant Council who will be able to offer them advice and support in making an application for housing. (See 23.23 for details of relevant Council)

22.2 Registration and Priority Date

New applications will be registered from the date they apply to be registered on HHC. For online applications, this will be the date the online application is completed. For the purposes of a paper application form, this will be the date the application form is received by the relevant Council. This date is known as the registration date.

Under the Allocations Framework all applications for housing are assessed and placed in one of four bands depending on their housing need. Priority is awarded within each band by date the application was placed in the band. This date is known as the priority date.

However, for applicants whose application has been suspended for deliberately worsening their circumstances (13.2), their priority date will be the date their application is made live following suspension for 6 months.

For applicants whose application has been suspended for former debt/rent arrears and debt (13.6), their priority date will be the date they cleared their outstanding debt or the Council is satisfied the applicant has adhered to a payment plan for 6 months.

22.3 Household

When applicants join the list, and whenever an application is reviewed, an assessment will be made of the make-up of the applicant's household. This assessment will normally be straightforward, but decisions may need to be made as to whether individuals included on an application form are accepted by the Council as being part of the household who, in the event of re-housing, will be accommodated with the applicant. The size and make-up of the household will determine the assessed bedroom need (See Appendix 3).

22.4 Individual Assessments

Once a completed form or online application has been received, the relevant Housing Service will then undertake an assessment of housing need against this Policy. Health and welfare needs are taken into account in the assessment. If additional information is required, a Health and Welfare Assessment form will be sent out to be completed.

Providing the applicant is eligible and qualifies for the Housing Register and the application has been completed fully, it will be registered onto the Hampshire Home Choice Housing Register. Through the assessment

process, each applicants housing need will be considered and a level of priority awarded by placing the applicant in one of four bands.

A letter will be sent to the applicant within 10 working days of receipt of all relevant information, confirming their application reference number, the date the application was registered, their banding and their assessed bedroom need.

As a result of the partnership between the participating Councils, the five registers are effectively merged into the Hampshire Home Choice Register and operate under the Allocations Framework.

22.5 Missing Information and Incomplete Applications

If further verification is required, the applicant will be contacted in writing to provide the information necessary to assess their application. Any applicant who does not provide the requested information within 28 days will be assumed to no longer require housing and their application will be cancelled accordingly.

Paper application forms not completed fully will be returned to be completed. Online applications which are not completed within 28 days will be cancelled.

22.6 Applicants not Eligible and do not Qualify

If the applicant is considered to be ineligible or does not qualify for the Housing Register, they will be sent a letter confirming this and the reason for this decision.

22.7 Cancelling and Suspending Applications

If information is obtained that gives reason to believe that an applicant who has already been accepted onto the Housing Register is, in fact, ineligible or no longer qualifies to be on the Register, or their circumstances may have changed, their application may be suspended or cancelled. The applicant will be informed in writing and they will be given 28 days to provide the requested information. If they do not reply within this period, or if they reply but the Council still believes them to be ineligible or no longer qualify, they will be removed from the Housing Register (see Appendix 5).

22.8 Change in Circumstances

Applicants who move to a new address or whose circumstances change after they have been accepted onto the Housing Register (e.g. - who wish to add or remove someone to their application or a change in income or employment, etc.) should immediately contact the Council with which their application for housing is registered to notify them of the changes and arrange to complete any necessary forms.

Eligibility and qualification for the Register may be reconsidered when there is a change in circumstances.

22.9 Remaining on the Housing Register

Applicants will be required to renew their housing application on a yearly basis, on the anniversary of their relevant application date – known as the “renewal date”.

If applicants fail to voluntarily renew their application, they will be sent a written reminder to do so within 21 days of the renewal date. Any applicant who does not renew their application within 28 days of receiving their reminder letter to do so will be assumed to no longer require housing and their application will be cancelled accordingly.

If an applicant makes contact within 6 months of their original application being cancelled, this application will be reinstated.

If contact is not made within 6 months and satisfactory evidence is provided of an incapacity causing the failure to renew, the application can be reinstated from the date of the original application.

Eligibility and qualification for the list may be reconsidered when an application is being reviewed.

22.10 Confidentiality

Information regarding a person’s application for housing will not be disclosed to any third party or member of the public without the applicant’s express consent unless the Council is required to do so legally. By signing the housing application form, an applicant gives consent for the relevant Council to make enquiries with regard to their housing need and their potential ability to manage a future tenancy. The declaration also gives express consent to share such information with partner Registered Providers or other social housing providers as detailed in the Privacy Notice and Declaration.

22.11 False or Misleading Information

If an applicant knowingly or recklessly gives false information or knowingly withholds information which the Council has reasonably required of him/her, an offence is committed. In all such cases the relevant Council will consider a prosecution for the offence in which an applicant may be subject to a fine of up to £5,000 under the Housing Act 1996. If an applicant has accepted a tenancy on the basis of using false or withholding information, the landlord may apply to the court for possession of the property.

22.12 Right to Review

All decisions with regard to the Allocations Framework are subject to Review should the applicant be dissatisfied with a decision. This right to a Review includes decisions regarding eligibility, qualification and housing need assessments. A request for a Review should be made to the Council dealing with the application. An officer senior to the person

making the original decision and who was not involved in making the original decision will carry out the Review.

A request for a Review must be made within 21 days of the decision providing the reasons for the Review. The Council has discretion to extend the time limit if it considers this would be reasonable. If further information is needed, the applicant will be invited to write or, if unable to do this, make oral representation. The applicant may also appoint someone on his or her behalf to do this. If the reviewing officer finds that the original decision did not take relevant information into account, they will refer the case back for re-consideration. The applicant will be notified of the Review decision within 56 days of the request for a Review.

23. Section 3 – Allocations and Lettings

23.1 Available Properties

100% of social lettings to which the Councils have nomination rights and Winchester City Councils vacancies will be made available through the scheme. Each Council may agree some specific exceptions.

23.2 Properties not included in the Scheme

Examples of lettings which may be excluded are as follows:

- Decants to allow repairs to be carried out
- Temporary accommodation for households who are homeless or may be threatened with homelessness
- Supported housing
- Extra-care housing
- Management cases for an existing social tenant.

23.3 Cross Boundary Moves

Local authorities can agree on a voluntary basis to advertise a property as being available for a cross boundary move which would allow applicants across the five Council areas to be considered for the property as well as homes in the local authority in which the applicant has a local connection. These properties will be clearly labelled in the property adverts and it will be very clear for which properties the applicant can and cannot bid.

23.4 Right to Move Quota

The Secretary of State considers that local authority's should set a quota for the proportion of properties that it expects to allocate each year to transferring tenants who need to move into their district for work related reasons ('the Right to Move quota'), and considers that an appropriate quota would be at least 1%. HHC is already striking a balance between the interests of transferring tenants who need to move into their district for work related reasons and the demand from other applicants in identified housing need, and therefore will not adopt a quota at present.

23.5 Direct Match

In certain circumstances, the Council will allocate a property directly to an applicant which is known as a direct match. The advert will clearly state that the property has already been allocated to an applicant with a specific need. Examples of when a direct match may take place are:

- Applicant requires a specifically adapted property
- Urgent management decant required
- Applicant is subject to Multi-Agency Public Protection Arrangements or Multi-Agency Risk Assessment Conference and requires specific accommodation in a specific area
- Witness Protection.

23.6 Advertising Properties

Vacant Social Housing to which the Councils have nomination rights and Winchester City Councils vacancies will be advertised through the Choice Based Lettings scheme. Adverts will be available at locations throughout the East Hampshire, Eastleigh, Havant, Test Valley and Winchester region, including the Council offices in which free internet access is available. Details of available properties will also be placed on the Hampshire Home Choice website.

www.hampshirehomechoice.org.uk

The Councils and Registered Providers will arrange for each vacancy to be advertised and will specify the requirements for each property. Some properties may be labelled by the Councils to enable the development of sustainable communities. For new developments, this may include Local Lettings Policies. Depending on the Councils strategic needs, the labelling of properties may include certain restrictions, e.g. some social housing may only be offered to people who have an assessed support need or for transferring tenants.

The advertisement will usually include details such as the following:

- The Landlord
- The weekly rent, including all other service charges
- Whether property is a social or affordable rent
- Whether property is let on a fixed term tenancy
- Properties available for cross boundary moves
- The anticipated date the property will be ready for occupation
- The recommended number of permitted occupants
- Any age limits e.g. for households with children, for sheltered accommodation, for older/disabled persons or any landlord specific requirement
- Whether the property is restricted by a Planning Obligation under Section 106 of the Town and Country Planning Act 1990 where offers of tenancies may only be made to applicants with a strong local connection to a rural exception site
- Village vacancies subject to local connection restrictions
- Accessible housing e.g. wheelchair adapted.
- Whether pets are allowed.

23.7 Bidding

All eligible and qualifying applicants can make bids for properties advertised by telephone or online via the website. Full details of how to bid are set out in the Hampshire Home Choice User Guide. This can be found on the Hampshire Home Choice website or directly from one of the participating Councils.

Applicants can only bid for up to three properties for which they are eligible per bidding cycle. There is a weekly bidding cycle although this may change at times during the year subject to agreement from the five Councils.

23.8 Multiple Bidding

For new developments, the same property types will be covered by one advert. Applicants only need to place one bid to be considered for all the property type covered by the advert.

23.9 Assisted Bids

All applicants are expected to make bids themselves but in limited circumstances those who do not bid for properties may receive a direct bid. Since service user participation is a critical part of Choice Based Lettings, the Councils recognise that some vulnerable applicants may require assistance in making bids. To ensure that vulnerable households have fair access to the scheme, applicants with support needs and those who have language difficulties will be supported by the Council, or an appointed support provider which may include assisted bidding.

23.10 Assessment of Bids

Priority within the band is decided by the date the application was awarded that band.

Registered Providers taking part in the scheme will have access to the shortlist of applicants who have made a bid for the property. The applicant with the highest priority and who meets all of the advert and preference criteria and who is therefore at the top of the shortlist will be nominated to the Registered Provider or selected by Winchester City Councils Landlord Services.

Once a bid is accepted the letting of property will be organised by the Registered Provider or Winchester City Councils Landlord Services.

23.11 Skipping

Applicants who do not meet the advert and preference criteria will be skipped.

23.12 When more than one Applicant has Identical Preference

Where two or more eligible applicants apply for a property and are in the same band and have the same priority date the applicant with the earliest registration date will be given priority. If the registration date is the same, the Council will carry out a housing needs assessment of the applicant to determine who may have the highest housing need for the property. Regard may also be given to which household size and family make-up may make best use of the property.

If an applicant's housing need, household size and family make-up are similar, then the length of residency connection with the district shall be

considered with the household with the longest residency connection with the Council from where the property is being advertised getting priority.

This will also be applied in the event of a property being advertised as available for cross boundary moves.

23.13 Reasons why a Landlord may refuse an Applicant for a property

If for any reason a Registered Provider or Winchester City Councils Landlord Services wishes to refuse an applicant, the Registered Provider or Winchester City Councils Landlord Services is required to notify the Councils Allocations Service. The Councils Allocations Service will re-nominate/select to the next suitable applicant on the shortlist.

If there are no eligible bids or the shortlist has been exhausted the property will be re-advertised. For grounds for refusal see Appendix 6.

23.14 Registered Provider or Winchester City Councils Landlord Services Review Process

If a Registered Provider or Winchester City Councils Landlord Services refuses an applicant for a property, they must inform the applicant of their reasons for refusal and of their Review Process.

23.15 Verification

The Council will verify all information provided by the applicant that is relevant to their eligibility and qualifying for an allocation of accommodation. Further verification, which may include inviting the applicant for an interview or completing a home visit, will be required at the time an applicant is allocated a property and the Council may check information with other sources as allowed by the law.

Applicants will be expected to provide documentary evidence that all persons included on the application are resident at the address applied from. Applicants will also be required to provide any additional proof considered appropriate to confirm the applicant's circumstances.

Registered Providers or Winchester City Councils Landlord Services may carry out their own verification processes and these will be in addition to those carried out by the relevant Councils verification.

23.16 Offer of Tenancy

Once all verification processes are completed, the Registered Provider or Winchester City Councils Landlord Services makes an offer of the vacancy to the successful applicant.

23.17 Difficult Lets

If there are no eligible bids for a property, it will be re-advertised by HHC. In some cases the eligibility criteria may be relaxed.

23.18 Refusals

An applicant, who successfully bids, is nominated and is offered suitable accommodation by a Registered Provider or selected by Winchester City Councils Landlord Services but subsequently refuses an offer on two occasions within a six month period will not be able to bid for further properties for six months from the date of the refusal of the second property.

23.19 Feedback

All successful lettings will be reported on the Hampshire Home Choice website. The reports show the number of bids for each property, the band and the priority date of the successful applicant.

23.20 Fair Allocations

The Councils are committed to providing equality of opportunity to all applicants who apply for housing. The monitoring of allocations under the scheme will take place to ensure that everyone is treated fairly. All applicants applying for social housing across the five authorities will be assessed by way of an assessment of housing need.

23.21 Equality

The Councils are subject to the general public sector equality duty in the Equality Act 2010. The Councils and its partner Registered Providers are committed to providing equality of opportunity to all individuals who apply for re-housing. Monitoring of applications and lettings may take place to ensure that everyone is being treated fairly.

23.22 Changes to the Scheme

The Allocations Framework will be reviewed annually by the five Councils and updated where necessary. This will help to ensure that the policy meets legislative and best practice requirements.

23.23 Monitoring

The Councils hold a quarterly HHC Board meeting which is attended by representatives and members from each of the Councils and representatives from the Registered Providers.

23.24 Complaints

If an applicant is dissatisfied with any aspect of their application, other than where a review can be made, they should follow the Councils published complaints procedure, available on the Councils website or on request.

24 APPENDICES

1. Sensitive Lettings

3. Definition of a Household
4. Health and Welfare Assessment
5. Cancelling and Suspending Applications
6. Reasons why a Registered Provider or Winchester City Councils Landlord Services may refuse an applicant for a property

Appendix 1 – Sensitive Lettings

Purpose

The purpose of the Sensitive Lettings Policy is to create sustainable and cohesive communities in relation to individual lettings where there may be need to redress the balance of the community.

Objectives

In these cases the Registered Provider or Winchester City Councils Landlord Services is departing from the routine allocation process. Instead of allocating a property to the applicant at the top of the shortlist with the most housing need the landlord considers the suitability of the applicant for the vacancy, on the basis of the information they have about the applicant and the knowledge they have about the property, its location or the neighbours.

In allocating housing the Registered Provider and Winchester City Councils Landlord Services needs to balance a range of factors:

- the individual's housing need;
- the suitability of the property for that applicant;
- to create a community that is sustainable;
- to ensure current and future tenants feel safe;
- to protect the public and residents from nuisance and anti-social behaviour;

Preference will be given to applicants who are able to demonstrate that they will be able to manage a tenancy successfully and using the following cascading mechanism:

- a) Applicant or partner is resident within the local authority area and employed in paid work.
- b) Applicant or partner is employed in paid work and has a local connection to the local authority area.
- c) Are registered on Hampshire Home Choice.

Exclusions

Applicants will not be considered for a property advertised as a sensitive let where there is evidence of known history or convictions for the following:

- criminal behaviour
- anti-social behaviour
- drug abuse
- drug dealing
- breaches of any tenancy with any landlord
- rent arrears.

The landlord may request additional information from other partner agencies such as the Police, Probation Service, Primary Care Trust, Drug and Alcohol

Services and former Landlord in determining suitability for a property subject to the Sensitive Lettings Policy.

Process

If a landlord wants to advertise a property as a sensitive let, they will need to provide evidence to the Council and on the reasons why the property is required to be let on a sensitive let basis. The Councils Allocations Service will have to agree to any property being advertised as a sensitive let.

The property advert will clearly state the property is subject to a Sensitive Lettings Policy.

Once the shortlist has closed, the Council will nominate/select in accordance to the preference criteria within the Sensitive Lettings Policy. If for any reason a Registered Provider or Winchester City Councils Landlord Services wishes to refuse an applicant the Council will nominate/select the next suitable person on the shortlist.

Right for Review

An applicant has the right on request to be informed of any decision about the facts of their case which has been taken into account in deciding whether to make an allocation of a sensitive let to them.

Equality Impact Statement

This Sensitive Lettings Policy does not discriminate directly or indirectly and has given regard to the Equality Act 2010 to ensure no one is treated unfairly and has equal opportunities to access to housing.

The Councils are using their powers under the Localism Act 2011 to enable applicants who are working to access housing, by framing their allocations scheme so as to enable specific properties to be allocated to those in employment through the use of Local Lettings Policies.

Monitoring

The effectiveness of properties being advertised as sensitive lets will be monitored on a regular basis. A property should only be advertised as a sensitive let if this is absolutely necessary to address the situation and any housing management issues.

Appendix 2 – Owner Occupiers

An owner occupier who applies to join the HHC Register would not qualify unless there are exceptional circumstances or they wish to be considered for a difficult to let property designated for those aged over 55 years.

In considering those exceptional cases the Council will need to be satisfied that the applicant is in housing need and is unable to resolve their own housing circumstances. Applications will be assessed case by case, taking all relevant information into account.

In assessing whether an applicant is in housing need the following will be considered:

- (a) the suitability of their present accommodation – whether current accommodation is adequate for their situation taking into account state of repair, health, employment, family support and whether an applicant's situation is likely to deteriorate.
- (b) the applicant's financial circumstances – whether their income, savings or the equity within any property they own is sufficient to secure alternative suitable accommodation. The Council may take into account the current house prices locally in making its decision.

In some case the Council may consider it reasonable for the applicant to be able to secure accommodation in the private sector. However, due to a shorthold tenancy being only available initially for a limited term, this may not be appropriate in some cases.

- (c) An applicant must be aged 55 years or over with a housing support need and would benefit from sheltered housing.

Sheltered housing is usually designated for those aged over 55 years. In some cases the scheme may only be available for those aged over 60 or 65 years of age. In some cases the scheme landlord may carry out a needs assessment to assess if an applicant is eligible for their scheme.

If an applicant is assessed as qualifying for an allocation this does not guarantee they will be allocated a property. An applicant will have to also meet the criteria set by the scheme landlord especially in cases where the landlord may have charitable status.

Where an applicant who is an owner occupier has been assessed as a qualifying person as a result of having a housing need and a need for sheltered housing, they will only qualify for an offer of sheltered housing and will not qualify for an offer of a general needs property.

Appendix 3 – Definition of a Household

Any person wishing to be included as part of an applicant's household must satisfy the Council that they are a permanent member of the applicant's household and show that it is reasonable to expect them to reside with the applicant on a continuing basis.

In the case of a separated household or where residence of children is shared between parents, it would not normally be considered reasonable for a child who has a suitable home with one parent to be taken into account when considering the housing needs of the other parent.

In all such cases, an assessment will be carried out to decide who should be considered to be part of the household and the following factors will be taken into consideration along with any other relevant facts:

- Access of people included on the application to other suitable accommodation
- Previous living arrangements
- Actual living arrangements
- Preferred living arrangements
- Evidence of longstanding residence and commitment to being part of the household
- Likely longer-term living arrangements
- Special circumstances
- Information from Children's or Adult Services.

Applicants requiring a Carer

Where the applicant states that they require a carer to live with them who would not normally be considered to be part of the household, then the Council will decide whether the carer is part of the household or could reasonably be expected to be part of the household. In most cases, care can be provided without the provision of a separate bedroom for a carer.

Each case will be dealt with on its own merits, and the following factors will be taken into consideration along with any other relevant facts:

- Whether there is an established need for live-in 24 hour care
- Availability of supported or extra-care housing which may meet the applicant's needs
- Current living and care arrangements
- Likely future living and care arrangements
- Special circumstances
- Information from Adult Services.

Other cases may arise where there are queries about households (e.g. where adult sons or daughters return home or where distant relatives or 3 generation families or friends are included on the housing application).

Appendix 4 – Health and Welfare Assessment

This policy, along with the current Allocations Framework and scheme of Allocations, explains how and when a Health or Welfare award can be given to applicants and what evidence is needed in order to support additional priority under Health or Welfare grounds.

The health and welfare of an applicant or a member of their household will be assessed on the basis of the effect of their current property on their condition, and how a different property would improve the applicant's health or welfare. A health or welfare issue in this context means a physical or mental illness, disability or incapacity, including behavioural syndromes, problems of physical or mental development and disorders related to drugs and / or alcohol. The assessment is based on a holistic approach, which takes account of psychological and social factors alongside physical issues.

To qualify for an award the condition must be made worse by your present housing and your health or welfare must also be likely to be improved by moving to alternative accommodation.

Please note that a health or welfare award does not necessarily mean that your application will move into a higher Band.

The following table shows which awards are available and which Band an application will be placed into if the award is made:

Health and Welfare Table

Priority level	Definition	Priority Band
Urgent	There is a critical need to move. The current housing situation is seriously detrimental to health or welfare and interferes with quality of life to an intolerable degree.	Band 1
High	There is a high medical or welfare need to move. The current housing situation is detrimental to health and interferes with the quality of life to a high degree.	Band 2
Medium	There is a moderate medical or welfare need to move. The current housing situation is detrimental to health and interferes with the quality of life to a moderate degree.	Band 3
Low	There is a slight medical or welfare need to move. The current housing situation is detrimental to health and interferes with the quality of life to a low degree.	Band 4
None	There is no medical or welfare need to move or a move would offer no improvement. The current housing situation is not detrimental to health and does not interfere with the quality of life.	No Priority

Health and Welfare Assessment Form

You only need to tell us about problems if you think that your health or welfare is being made worse by your housing and that it would improve if you moved.

You can discuss your situation with the Council dealing with your application. Housing options may be offered to assist you in resolving any issues you may be experiencing in the first instance. In some instances a Housing Officer may make a recommendation for additional priority under health and/or welfare grounds.

If your condition is made worse by your present housing and your health or welfare is also likely to be improved by moving to alternative accommodation you will be sent a Health and Welfare Assessment form.

Only one award can be given to a household. Where more than one household member has a health condition an assessment will be made taking into account everyone's health or welfare needs and the highest award applicable will be made.

Health and Welfare Assessment Process

The Health and Welfare Assessment Panel is made up of two members of the Housing Service who will assess an applicant's Health or Welfare assessment form against the criteria shown within the Health and Welfare table based on all of the information you have provided about yourself and your household and according to the guidelines in the table.

If further information is necessary before a decision can be made, the Housing Service will write to you, your general practitioner or any other agency regarding additional information relating to the Health and Welfare application. They may also contact an independent medical advisor regarding your case if this is necessary.

For applicants who are awarded a higher band, their priority date will be the date the higher award was decided.

The Health and Welfare Assessment Panel will usually meet on a 2 weekly basis, although Winchester City Councils Panel is held on a weekly basis.

Additional Bedrooms

Applicants can apply for an additional bedroom due to their medical needs. Evidence for an additional bedroom will be requested to support any requests for an additional bedroom. Usually the only circumstances in which an additional bedroom will be awarded is where an applicant requires a full-time live-in carer who is not part of the normal household.

Adapted properties

Applicants who need a home suitable for wheelchair users may need to provide a report from an Occupational Therapist before an offer can be considered.

When allocating properties suitable for wheelchair users, or with any other adaptations for disabilities, or when allocating ground floor accommodation, priority may be given to applicants who have an assessed housing need for these properties and evidence of this has been received.

What to do if you disagree with our decision

All decisions with regard to the Allocations Framework are subject to Review should the applicant be dissatisfied with a decision. A request for a Review should be made to the Council dealing with the application. An officer senior to the person making the original decision and who was not involved in making the decision will carry out the Review.

Details of the Right to Request a Review is detailed in 22.12.

It is important to remember that it is for the Council to make decisions in the administration of housing applications. Only the Council will be able to determine priority in line with the Allocations Framework.

Councils may where necessary take into account medical professional's information about medical conditions and any need for alternative housing as a result of that condition and any impact of the current housing on such a condition but the Council will make the final decision.
